

BFN Event Solution Key Usage Scenario

V1.0

Date: 09/11/2020

1. Create calendar-based events
2. Create single access tickets
3. Create multiple access tickets
4. Define Price Types for each event, so you can split the price of one event
5. Sell events and items with the Shop Sales Order to end customer
6. Assign user to cash desks for cash postings.
